MONTHLY PARKING AGREEMENT

The following terms and conditions form a part of the monthly parking agreement with *Complete Parking Services* (“COMPARK”)

- Parking charges and any applicable taxes are due in advance on the first day of each month for that month and any outstanding amounts are subject to interest charges of 4% per monthly (28.8% per annum)
- Parking rates are subject to change by COMPARK upon one calendar month notice.
- There is a two month minimum before you may terminate the monthly parking agreement. After two months, you may terminate the monthly parking agreement upon one full calendar month's **written** notice. Any notice given at any time during a month will be effective as of the first day of the following month.
- Any deposits paid will not bear interest, but will be refunded if the relevant permit(s) is (are) returned to COMPARK within 7 days of termination. Otherwise, deposits will be forfeited.
- Permits remain the property of COMPARK. Damaged permits will be replaced free of charge if returned to COMPARK. Lost or stolen permits will be replaced upon payment of a new deposit at then the current rate and existing deposit will be forfeited.
- Credit card accounts will be processed on the due date or by the first business day after the due date and are subject to a minimum \$2.50 monthly processing / commission fee.
- Parking charges are for the licensed use of parking space only and COMPARK is not responsible for any injury, loss or damage to you or your vehicle or its contents.
- You may not assign or transfer the monthly parking agreement, unless agreed to by COMPARK. Further, changes in the name of the account holder are strictly prohibited (unless a documented legal name change).
- COMPARK reserves the right at any time and from time to time to refuse parking at your normal location. COMPARK will use reasonable efforts to relocate you to another COMPARK location for the period your normal location is unavailable.
- **AT ALL TIMES A VALID PERMIT MUST BE VISIBLY DISPLAYED WHILE ON THE PARKING FACILITY** (except if no permit has been issued). Failure to do so will be considered a breach of the monthly parking agreement and, in addition to any other remedies available to COMPARK, may result in a violation notice being issued and your vehicle being towed. Any other misuse of a permit will also be considered a breach.
- **Permits are only valid for the parking facility for which they are designated.** Further, if the same permit number is found on more than one vehicle at a time, or if a permit is used to admit more than one vehicle at a time into the parking facility, that permit will be automatically deemed invalid, and COMPARK may issue a violation notice and tow one or more of the vehicles in addition to any other remedies available to COMPARK.
- COMPARK may terminate the monthly parking agreement upon one calendar month's notice. Further, if you are in breach of the terms and conditions of the monthly parking agreement COMPARK may, without notice, suspend parking privileges, terminate the monthly parking agreement and or tow the vehicle at your expense. If parking privileges are suspended, COMPARK may charge a reactivation fee. In the event of misuse of a permit, COMPARK also reserves the right to charge the regular daily rate (in addition to the monthly charges).
- The parking of unlicensed or uninsured vehicles, the general storage of vehicles and the repair or maintenance of vehicles are prohibited. Further, the parking of vehicles that (in the opinion of COMPARK) pose any kind of hazard or have any hazardous contents is also prohibited.
- Any additional terms and conditions (except those related to parking rates) displayed on the signage at the parking facility must be observed. Further, vehicles must not be parked in such away as to block traffic lanes or violate any laws or regulations. Vehicles parked for the principal purpose of promotional activities or advertising are prohibited.
- These terms and conditions are subject to change by COMPARK without notice.
